A first or second year student who takes a leave of absence or withdraws during an academic year, must return the following August to begin that year again. **STUDENTS WHO ARE REINSTATED ARE BOUND BY THE STUDENT HANDBOOK APPLICABLE TO THE YEAR THEY ARE RETURNING TO.******

“A student who has withdrawn may apply for reinstatement within one year of the date of withdrawal. The student must complete a *Request for Reinstatement* form which is available in the Office of the Registrar and requires approval of the Student Progress Committee (SPC). If the withdrawal was for medical reasons, a Medical Clearance to Return is also required. The NYIT College of Osteopathic Medicine Dean will notify the student of the decision. The student is reinstated on the same academic and disciplinary status that the student was on at the time of withdrawal. A student who has an F grade and/or a WF grade is not eligible for reinstatement unless the withdrawal is based on medical documentation or extenuating circumstances.”

The student is not eligible to apply for or receive any Title IV Financial Aid, which includes Direct Stafford Loans, and Direct Grad PLUS loans, for the tuition, fees or living expenses for the billing period that the student had paid for in the previous year.

Any outstanding balances must be paid prior to returning to NYIT College of Osteopathic Medicine. Tuition for the repeated billing period will be due prior to the start of classes. A student will be charged 50 percent of the normal tuition charges of any repeated billing period of the year that she or he had already paid 100 percent of that billing period in the year of the withdrawal or leave of absence. A student is responsible for paying all fees, including the health insurance fee, in the repeated year, before beginning classes.
