

Category Filters and Search Options

1. Category Filters and Search Options are accessible via the Preferences menu

or via the “Click here to edit them” link on the Search page

Category Filters

Applicant Location – This will ensure that you only receive opportunities available to applicants based in your location.

Applicant Type – Select any individual or organisation descriptors that apply.

Project Type – Used to determine what types of projects the sponsor is looking to fund, or what type of work the sponsor is intending be done by successful applicants.

Project Location – This is used to determine where the sponsor will allow the work to be carried out. You should select all locations that you are willing to travel to in carrying out an award.

Citizenship – This is used to determine if the sponsor maintains specific citizenship status requirements for their opportunities.
