

Student Immunization Information

On behalf of the Office of Wellness Services, welcome to New York Institute of Technology. **The following Student Immunization Form must be received by the Office of Wellness Services prior to registering for classes.**

All students, regardless of date of birth exemption, must complete **Part II** in order to comply with New York State Law §2167, which requires documented decision in regard to the meningitis vaccination. A health care provider must complete **Part III** of this form in order to comply with New York State Law §2165, which requires post-secondary students to show protection against measles, mumps, and rubella.

A stamped official immunization transcript or transfer form from a previous high school or college is acceptable in place of completing Part III of this form, however, Parts I and II must still be submitted. Illegible forms will be returned. **When not in English, student health records should be submitted with a translation.**

THIS FORM SHOULD BE RETURNED TO

New York Institute of Technology

All medical records are required to be scanned and submitted in our secure portal for processing.
