

NEW YORK INSTITUTE OF TECHNOLOGY

GRADUATE ADMISSION APPLICATION AND INSTRUCTIONS

1. Complete all questions on the application.
2. Attach a non-refundable check or money order payable to **NYIT** for \$50 (U.S.) to the front of the application form. Please write your Social Security number on the check or money order. Your cancelled check is your receipt. Please do not send cash.
3. Submit official transcripts with proof of degree from all undergraduate, graduate, and professional schools attended. You may have them sent directly to the Office of Graduate Admissions or submit the transcripts in the original sealed envelope as part of your application packet. Photocopies or student copies are not considered official; however, you may wish to submit a photocopy along with your application for reference until the official copies are received.
4. If you are an international applicant, the following conditions apply:
 - You must submit recent results of a Test of English as a Foreign Language (TOEFL) or International English or Language Testing System (IELTS) examination for applicants whose native language is not English. Scores must be sent directly from the Educational Testing Service (ETS). NYIT's ETS code is **2561**.
 - Those applying to the Master of Architecture program must submit an official translated evaluation of all foreign academic credentials. Information about evaluation services may be obtained from the Office of Graduate Admissions. Official documents must be original copies.

If you require a student visa to attend NYIT, please note the following:

- All international applications and supporting credentials are due at least three months prior to your intended start date to assure adequate time to process the required documents.
 - A copy of your passport is required to process your application.
 - An official notarized affidavit of support and bank statement are required from your sponsor.
 - If you are currently in the country and/or studying at a U.S. university, please submit the transfer I-20 form, proof of visa (copy of I-94 form), and a visa waiver form if you entered the country on a visa other than F-1.
5. For additional requirements to your program, please refer to the section **Graduate Application Documents Required**.
 6. Where noted, it is the applicant's responsibility to request that ETS forward official copies of Graduate Management Admissions Test (GMAT) or Graduate Record Examination (GRE) scores directly to the Office of Graduate Admissions.
 7. Immunization Records – Public Health Law 2165 requires college students to present a complete record of two live immunizations against measles and a single immunization against mumps and rubella. Students born on or after Jan. 1, 1957 must submit a completed immunization record signed by a health practitioner. Your registration for classes will not be valid until this information has been provided.

OPTIONAL INFORMATION:

The following information is used for identification purposes only:

The following information is required in order to provide statistical data in compliance with federal and state non discrimination requirements. Response is voluntary and the information will be kept confidential. Refusal to provide this information will not subject you to any adverse treatment.

Do you consider yourself to be Hispanic/Latino? Yes No

In addition, select one or more of the racial categories to describe yourself:

- | | | |
|--|--|--------------------------------|
| <input type="checkbox"/> American/Alaskan Native | <input type="checkbox"/> Asian | <input type="checkbox"/> White |
| <input type="checkbox"/> Hawaiian/Pacific Islander | <input type="checkbox"/> Black or African American | |

PART IV: SUPPLEMENTAL DATA

Former or Maiden Name _____

Have you taken the Graduate Record Examination (GRE)?

Yes (attach copy of grade report) No

If yes, date _____

Have you taken the Graduate Management Admission Test (GMAT required of M.B.A. applicants)

Yes (attach copy of score report) No

If yes, date _____

Have you taken the Test of English as a Foreign Language (TOEFL) examination?

Yes (attach copy of grade report) No

List any business experience that supplements your academic background

Firm and location	Nature of work	From	To
		/	/
		/	/
		/	/
		/	/

List business, professional, and social organizations in which you have been active, as well as any professional licenses that you hold.

Organization	Office held (if any)

TEACHER CERTIFICATION(S) (list the types of teacher certification you currently have)

Certification (Elementary, English 7-12, etc.)	State where issued (N.Y., N.J., etc.)	Year Issued

* **Do you intend to request transfer credit for previous graduate coursework?** Yes No

If yes, please note the following:

- All requests for transfer credit must be made within the first semester of enrollment.
- Transfer credit is awarded for coursework completed within the last five years, provided those graduate credits have not been applied toward a previous degree.
- Transcripts from foreign universities must first be submitted to an organization such as World Education Service for evaluation.

PART V: VISA REQUIREMENT DATA

Students who are neither U.S. citizens nor permanent residents of the United States **must** complete this section:

Country of Birth _____ Country of Citizenship _____

In order to issue an I-20, the following information is needed.

What type of Visa do you require? F-1 J-1 (Check one)

If you are currently in the United States, indicate your current non-immigrant status as stated on your I-94 card. (check one)

F-1 (student) date of initial entry: _____
Month Date Year

J-1 (Exchange Visitor)

B-1/B-2

Other (please specify) _____ I-94 expiration date _____
(G-1, H1B, A-2, etc.) Month Date Year

If you are currently on an F-1 or J-1 visa, please indicate the name of the U.S. college/university that issued your current I-20 or DS-2019 form:

Please also have your international adviser at the college/university listed above complete the enclosed SEVIS Transfer Form. Along with your application, you **must** submit a copy/proof of your current visa and I-94 card. If you are on an F-1 or J-1 visa, please submit a copy of your current I-20 or DS-2019 form.

I certify that the information supplied on this application is complete and correct to the best of my knowledge. I agree to abide by the rules and regulations of the college as set forth in the catalog of New York Institute of Technology, with which I am familiar.

Signature of applicant _____ Date _____

NYIT does not discriminate in admissions or access to its programs and activities on the basis of race, color, national origin, religion, creed, disability, age, marital status, gender, sexual orientation or veteran status.

NYIT provides reasonable accommodations to any person who has a temporary or permanent disabling condition. If you need to discuss an accommodation or a barrier to your full participation in NYIT programs and services, please contact:

Disabilities Compliance Coordinator • Harry Shure Hall, Room 208 • Northern Boulevard • P.O. Box 8000 • Old Westbury, NY 11568-8000 • 516.686.7976

Each student agrees that, once admitted to New York Institute of Technology, NYIT has the student's permission to take photographs and videos of the student for publicity purposes during class, at class-related functions, on any of NYIT's campuses, and at all NYIT activities and events, and that NYIT shall be the exclusive owner and copyright holder of, and possess all right, title and interest to, all such photographs and video

ADMISSION REQUIREMENTS

Requirements for admission to graduate study at NYIT vary with the discipline the applicant chooses. All applicants are required to hold a baccalaureate degree or its equivalent from an accredited college or university and must submit the completed application form.

Readmission of Former Students — If you are a former student of NYIT who wishes to return and/or resume study, you must apply for readmission.

If your last date of attendance was within the past five years and you have not taken any college credits, you must complete and submit a rematriculation form through the Office of the Registrar, along with a \$50 processing fee. Completion of this form will waive any and all rights of transfer credit taken since your last date of attendance at NYIT.

If your last date of attendance was more than five years ago or you have taken college credits since your last date of attendance at NYIT, you must submit a new application through the Office of Admissions along with a \$50 processing fee and all necessary supporting documents.

Nonmatriculated (Nondegree) Applicants — Regardless of whether you are enrolled at other institutions, you are welcome to enroll in the spring, summer, or fall semester on a nondegree basis and take up to 9 credits.

You must first file an application for nonmatriculated status, which can be obtained through the Office of Admissions.

ADMISSION OF INTERNATIONAL STUDENTS

International students are, in general, expected to follow the same regulations and procedures as those set forth for all entering students.

In addition:

1. International students must file a notarized affidavit and notarized bank statement(s) with the Office of Graduate Admissions at the Old Westbury campus.
2. International applicants who have earned undergraduate degrees at a foreign university must provide proof of English proficiency. This may be accomplished by achieving a minimum of 550 written, 213 computer-based or 80 Internet-based on the TOEFL or a 6 on the IELTS.
 - a. The TOEFL score of 550 or better is sufficient for the applicant to obtain an initial acceptance. However, if it becomes apparent to administration or faculty members that the TOEFL score is not truly representative of English ability, either prior to or after beginning at NYIT, the college maintains the right to require the student to pass an examination in English proficiency developed by the college, and/or enroll in one or more English courses as a corequisite to continued graduate study.

Applicants who submit TOEFL scores between 500 and 550 on the written exam, 173 to 213 on the computer-based exam, or 61 to 80 Internet-based exam will be required to take the NYIT English proficiency examination upon arrival as a condition of acceptance into graduate study. Such students may then be required to enroll in an appropriate English course or sequence of courses. The English proficiency requirement will be satisfied by the successful completion of the required course or sequence of courses.

Applicants who submit TOEFL scores under 500 written, 173 computer-based, or 61 Internet-based or IELTS below 5 cannot be admitted into graduate programs at NYIT. International graduate applicants who meet academic requirements and further details may be obtained by writing to: NYIT, Office of Admissions, ELI Program, Northern Boulevard, P.O. Box 8000, Old Westbury, NY 11568-8000.

b. The IELTS score of 6 or better is required for full admission. Applicants who submit IELTS scores between 5 and 6 will be required to take the NYIT English proficiency examination upon arrival as a condition of acceptance into graduate study. Such students may then be required to enroll in an appropriate English course or sequence of courses. The English proficiency requirement will be satisfied by the successful completion of the required course or sequence of courses.

ADMISSION OF INTERNATIONAL GRADUATE APPLICANTS WITHOUT U.S.-EQUIVALENT BACCALAUREATES (BRIDGE PROGRAM)

Applications from international students who have completed only a three-year post-secondary program that is equivalent to three years of undergraduate study in the United States, or a four-year program that is not equivalent to an American baccalaureate degree, will be considered with the following additional provisions:

- The student may be required to take an NYIT English proficiency examination prior to enrollment.
- Each student must complete a minimum of 30 additional undergraduate/graduate credits with a grade point average (GPA) of at least 3.00 A substantial number of these credits may be English as a Second Language (ESL) courses depending upon the results of the proficiency examination.

- Upon satisfactory completion of these 30 credits, the student will be granted provisional status in the chosen graduate program and expected to meet all requirements of this status, which includes the achievement of a minimum 3.00 GPA through the first 12 graduate credits.

- The Bridge Program credits are charged at the current graduate per credit tuition.

MASTER OF ARCHITECTURE PROGRAM

Applicants for admission to the Master of Architecture in Urban and Regional Design program are required to hold a professional degree from an accredited college or university approved by the National Architectural Accrediting Board, or the equivalent if applying with a foreign degree from another country. A portfolio of architectural design work must be submitted with the application for review and should consist of 8 1/2" X 11" bound photocopies of work that will not be returned.

International applicants to the Master of Architecture program should note that a professional five-year Bachelor of Architecture degree is required for entry into this program. All international credentials must be evaluated by World Education Services (www.wes.org). Applicants who do not hold a Bachelor of Architecture degree and wish to qualify for the graduate degree must first apply for and be accepted into the NYIT Bachelor of Architecture program, which requires completion of the first two years of the undergraduate degree with a GPAs of at least 2.75 (B-), as well as an acceptable portfolio of the first four semesters of design studio.

Applicants with an undergraduate GPA of 2.85 or higher and an acceptable portfolio will be admitted to fully matriculated status. Those with undergraduate GPAs between 2.50 and 2.84 may, at the discretion of the director, be admitted to provisionally matriculated status, with the opportunity to demonstrate their qualifications for full-time matriculation by achieving a graduate GPA of 3.00 or better in their first four graduate degree courses. In addition, these students may be required to take one or more parts of the GRE. The Master of Architecture program is only offered at the Manhattan campus.

MASTER OF ARTS IN COMMUNICATION ARTS

Applicants with an undergraduate GPA of 2.85 or higher will be admitted to fully matriculated status in the master's degree in communication arts. Those with undergraduate GPAs between 2.50 and 2.84 may, at the discretion of the director, be admitted to provisionally matriculated status, with the opportunity to demonstrate their qualifications for full-time matriculation by achieving a graduate GPA of 3.00 or better in their first four graduate degree courses. In addition, these students may be required to take one or more parts of the GRE.

Students applying for the computer graphics program in communication arts must also submit a portfolio to demonstrate proficiency in motion graphics, TV graphics, or 2-D or 3-D graphics.

For more information about communication arts, email commarts@nyit.edu.

MASTER OF BUSINESS ADMINISTRATION (M.B.A.)

Applicants for admission to the M.B.A. program are required to take the GMAT. Admission to the program is predicated on the achievement of a satisfactory composite score as established by the graduate faculty. The complete score consists of a weighted combination of the applicant's undergraduate GPA and the score received on the GMAT. Applicants may be admitted to a status of accepted or accepted with conditions, depending on the composite score.

All M.B.A. applicants are required to take the GMAT and submit scores before a decision on acceptance can be made.

MASTER OF FINE ARTS IN COMPUTER GRAPHICS AND ANIMATION, GRAPHIC DESIGN, AND FINE ARTS AND TECHNOLOGY

Applicants seeking admission to the Master of Fine Arts (M.F.A.) programs are required to have earned a Bachelor of Fine Arts (B.F.A.) or equivalent degree from an accredited college or university. A portfolio of original art and design work must also be submitted to the Fine Arts Graduate Portfolio Committee for evaluation. All portfolios must be sent on a CD or DVD and formatted to display independently on multiple platforms. For additional information, please contact the Fine Arts office at 212.261.1796 or 516.686.7542 or visit the Fine Arts Web site at <http://iris.nyit.edu/finearts/>

The CD/DVD portfolio must include: 1) an inventory of the contents of the portfolio, detailing each work with the title, brief description, measurements or time length and date of completion. Collaborative work must be individually identified and credited as such. 2) Contact information, including name, address, telephone, and e-mail. 3) Twelve examples of current work in total, including two non-digital drawings of the human figure.

Applicants with an undergraduate GPA of 2.85 or higher and an acceptable portfolio will be admitted to fully matriculated status. Those whose GPA falls between 2.60 and 2.84 may, at the discretion of the director, be admitted to provisionally matriculated status, with the opportunity to demonstrate their qualifications for full matriculation by achieving a graduate GPA of 3.0 or better in their first four graduate degree courses. In addition, students may be required to take one or more parts of the (GRE).

MASTER OF SCIENCE IN CLINICAL NUTRITION (online-only) AND MASTER OF SCIENCE IN HUMAN RESOURCES MANAGEMENT AND LABOR RELATIONS PROGRAMS

Applicants with an undergraduate GPA of 2.85 or higher can be accepted directly to the program. Those whose undergraduate GPA falls between 2.50 and 2.84 may, at the discretion of the director, be admitted to the status of accepted with conditions, with the opportunity to demonstrate their qualifications for full-time matriculation by achieving a GPA of 3.0 or better in the first four graduate degree courses. In addition, such students may be required to take one or more parts of the GRE and meet individual departmental requirements. Two letters of recommendation and an interview are required for the Human Resource Management Program. In general, students in this category will not be permitted to continue in the program for more than two semesters unless they have qualified for matriculated status or have special extenuating circumstances.

MASTER OF SCIENCE IN ENERGY MANAGEMENT, COMPUTER SCIENCE, ELECTRICAL AND COMPUTER SCIENCE ENGINEERING, INFORMATION NETWORK AND COMPUTER SECURITY, AND ENVIRONMENTAL TECHNOLOGY PROGRAMS

Admission to any of these programs requires a Bachelor of Science degree in computer science, engineering, or closely related field (e.g., physics or mathematics) from an accredited program with a minimum 2.85 GPA.

Applicants to any of these programs who do not have a minimum 2.85 GPA from an accredited program, but appear to have the potential for success, may be required to take the GRE. Admission will be based upon consideration of the test results, previous academic performance, related employment, and an interview.

MASTER OF SCIENCE IN OCCUPATIONAL THERAPY PROGRAM

To be eligible for admission into the master's program, applicants must possess a bachelor's degree from an accredited college, with an academic record that includes a balance of coursework in the humanities, social studies, social sciences, mathematics, and life sciences, as well as competence in written and spoken English. Basic computer skills (preparation of documents, spreadsheets, graphs, databases, research, and presentations) are required. To be competitive, applicants should have an overall GPA of at least 2.50, with no science or math grade below 2.00.

In addition:

1a – OT applicants need to submit proof of 100 volunteer hours from a licensed OT. An essay on why you want to be an OT is also required.

1b – Two letters of recommendation are required for the Occupational Therapy (OT) program. OT letters of recommendation should be on letterhead, one of which must be from a licensed OT. The recommendation must be dated within the past six months. Both references should be in sealed envelopes with the referee's signature over the seal. An interview with the department chairperson is required for these programs.

MASTER OF SCIENCE IN PHYSICIAN ASSISTANT STUDIES PROGRAM

If you are applying for admission into the Master of Science in Physician Assistant Studies program, please do not use the attached application form. The department will only accept applications that are submitted online through the Centralized Application Service for Physician Assistants (CASPA) at www.caspaonline.org.

All accompanying materials (including transcripts and letters of recommendation) must also be sent directly to CASPA. CASPA will verify your application for accuracy, tabulate the information and submit a report to the Department of Physician Assistant Studies.

DOCTOR OF PHYSICAL THERAPY PROGRAM

If you are applying for admission into the Doctor of Physical Therapy Program, please do not use the attached application form. The department will only accept applications that are submitted online through the Physical Therapy Centralized Application Service (PTCAS) at www.ptcas.org.

All accompanying materials (including transcripts, letters of recommendation and proof of 100 volunteer hours) must also be sent directly to PTCAS. PTCAS will verify your application for accuracy, tabulate the information and submit a report to the Doctor of Physical Therapy program.

Please direct all questions regarding the application process to PTCAS's customer service department at 617-612-2040 or by email at ptcasinfo@ptcas.org. Information regarding program requirements is available on the department's Web site at www.nyit.edu/pt.

The NYIT Physical Therapy Program participates in the Physical Therapist Centralized Application Service (PTCAS) for all students applying for direct entry into the professional phase. All applicants for the professional phase MUST submit their applications through PTCAS to be considered for admission. Information about PTCAS can be obtained online at www.ptcas.org.

MASTER OF SCIENCE IN MENTAL HEALTH COUNSELING

Admission to the Mental Health Counseling Program occurs in two steps. First, applicants must submit a graduate application with the following: 1) a bachelor's

degree from institutions of recognized standing with a minimum 3.0 GPA, 2) a personal essay detailing the reasons applying to NYIT's, School of Health Professions. 3) three letters of recommendations from supervisors and faculty 4) a writing sample of published work or the best work in undergraduate program. After the abovementioned conditions have been met, the applicant will be contacted for a personal interview. For further details about the program, see the program description in the catalog.

GRADUATE PROGRAMS IN EDUCATION (SEE GRADUATE CATALOG FOR ADDITIONAL DETAILS)

Applicants for all graduate education programs are expected to have earned an undergraduate GPA of 3.0 or better. See graduate catalog for information regarding admission with less than 3.00 GPA.

MASTER OF SCIENCE IN CHILDHOOD EDUCATION, INSTRUCTIONAL TECHNOLOGY, AND SCHOOL COUNSELING PROGRAM

Applicants with an undergraduate GPA of 3.00 or better, or with a completed master's degree, will be accepted directly into the program. Applicants with an undergraduate GPA of 2.85 to 2.99 will be granted the status of accepted with conditions. Those with an undergraduate GPA of 2.50 to 2.84 must take the GRE and earn a minimum score of 1,000 combined from any two sections to be granted the status of accepted with conditions. Exceptional applicants with an undergraduate GPA below 2.5 but with notable, documented achievements may petition the School of Education Admissions Committee for an exception to the above requirements.

CHILDHOOD EDUCATION — INITIAL PREPARATION

Applicants must have an earned bachelor's degree with a major or its equivalent in biology, chemistry, economics, English, history, life science, mathematics, physics, psychology, or interdisciplinary arts and sciences. The degree must include general education study in English, social studies, science, mathematics, a language other than English, and creative expression. Otherwise, qualified applicants will be permitted to enter and make up deficits in general education (limit two areas). Applicants must also provide evidence that they have passed the LAST. A structured interview and in-person writing sample are also required.

CHILDHOOD EDUCATION — ADVANCED PREPARATION

The Childhood Education program prepares master address prepares master teachers who use the power of technology to address student needs and an understanding of the use of effective and research-based strategies to teach all students. This program is for applicants possessing an earned bachelor's degree and initial certification from the state of New York. A structured interview, two relevant letters of recommendation, and a writing sample are required.

SCHOOL LEADERSHIP AND TECHNOLOGY

Applicants must have earned a master's degree, be permanently/professionally certified as a teacher in New York State and have at least three years successful teaching experience. An interview, in-person writing sample, technology competency, and two letters of reference from school district administrators endorsing your candidacy are also required. A copy of your New York State teacher certification is required.

INSTRUCTIONAL TECHNOLOGY — EDUCATIONAL TECHNOLOGY SPECIALIST

Applicants must have earned a bachelor's degree and initial/provisional or permanent/professional teacher certification in any area. A copy of your certification(s) must be submitted with your application. Applicants must also provide evidence that they have passed the CST for the area of their first certification.

INSTRUCTIONAL TECHNOLOGY EDUCATOR — NO CERTIFICATION

Applicants must have earned a bachelor's degree, as well as taken a course in human growth and development or its equivalent. Applicants without this course prerequisite may be required to take EDPC 615.

MULTIMEDIA OR DISTANCE LEARNING

Applicants must have a master's degree or equivalent background in instructional technology or a related field.

SCHOOL COUNSELING

Applicants must have earned a bachelor's degree and submit a supplemental background packet that includes a resumé, student statement of understanding, school/community-related experiences summary, and professional goals statement. Call 516.686.7777 for guidelines. A structured interview is also required.
