ADVISEMENT PREPARATION FORM

Student ID: ________________________________
Name: ____________________________________
Current Major: _____________________________
Desired Major (if different): __________________
Anticipated Graduation: _____________________

✓ Print your Academic Advising Report and the semester map for your major and catalog year.

✓ On the semester map, cross off all the courses you have completed successfully.

✓ Complete the right side of this form with the remaining courses making sure you have met the prerequisites for the courses you select.

✓ Ensure that you are in compliance with your major’s specific grade and GPA requirements.

✓ Make an appointment with your advisor to review your plan and to answer any questions you may have written below.

✓ Once approved, make a schedule using Schedule Planner. Check your Student Center for your assigned registration appointment.

Questions to ask your academic advisor:

1. Is this plan okay for my next year?

2. ______________________________________
   ______________________________________

3. ______________________________________

4. ______________________________________
