- Notes:
- (1) Students are also required to complete the one-credit *Fourth-Year Osteopathic Principles and Practice* course (MTOM 813) while participating in rotations.
 - (2) There are opportunities for students to complete clerkships that are not 4 weeks in length or do not follow NYITCOM's calendar dates.
 - (3) While we strive to maintain the scheduling information provided to students, unforeseen and/ or extenuating circumstances may result in schedule changes.
