

How to Make Your Course Available to Students

To make your courses available to your students, please follow these steps for each course:

1. While inside your Blackboard course, find the **Control Panel** at the lower left.
2. Click on the **Customization** link.
3. In the dropdown menu that appears, click the **Properties** link.
4. In the new page that appears, find the section titled "**Set Availability**" (it is #2).
5. For the question "**Make this course available to users?**," choose "**Yes.**"
6. Click the **Submit** button, either at the top or bottom of the page.
