RESEARCH PROJECT TERMINATION FORM

This form must be completed for any research involving human subjects, whether the research is terminated by the IRB, federal agency, principal investigator, or the research completion. This is separate from the project summary (a letter describing the results, number of subjects, adverse consequences, etc.) which is due from the investigator upon expiration or completion of a protocol.

IRB Protocol Number: 
Principal Investigator: (Last) ________________ (First) ________________
Department: _____________________ Campus: _____________________
Telephone: _____________________ E-mail: _____________________

Title of Research: _____________________

Human subjects involved in the activity:
☐ Abortuses ☐ Adults (18 and over) ☐ Cognitively Impaired ☐ Prisoners
☐ Fetuses ☐ Minors (age[s]_____) ☐ Mentally Ill ☐ Pregnant women

This project was last reviewed and approved by NYIT’s IRB on ________/________/________________

☐ Project completed: Summarize the results of the research or submit a reprint of research finding(s), if published, and indicate number of subjects below.

☐ Project has not been/will not be completed: No further work will proceed under this project number for the following reason(s):
☐ Research will continue under another project title(s)/number(s); reporting is no longer necessary for this project title(s)/number(s).
Please list new project number(s):_________________________________________________

☐ Project director has left the New York Institute of Technology. Any existing subject consent materials are filed at (location)____________________________________________________

☐ Project never funded. No subjects were recruited.

☐ Other (please list):_____________________________________________________________

The total number of subjects studied from approval date, _____/_____/______ to termination date, _____/_____/______ was _______________ 

PI signature: _____________________ Date: ____ / ____ / ____
