

Financial Affidavit of Support Instructions

**NEW YORK INSTITUTE
OF TECHNOLOGY**

2024–2025 Academic Year

FINANCIAL AFFIDAVIT OF SUPPORT DESCRIPTION

The purpose of this affidavit is to assure New York Institute of Technology and the United States government that all necessary costs to maintain the student throughout his/her tenure at the college will be met.

INSTRUCTIONS

Please PRINT or TYPE the information requested on the back of this Financial Affidavit of Support. Please read all instructions carefully. Affidavits that provide only statements of general financial support, such as "support for all years of study in U.S.A.," will not be accepted. This form is valid only if signed and stamped by a bank official, lawyer, or embassy official.

Graduate applicants must submit a Financial Affidavit of Support based on the number of credits taken in the first academic year: \$52,160 for 18 credits, \$61,880 for 24 credits, \$71,600 for 30 credits.

Undergraduate applicants must submit a Financial Affidavit of Support in the amount of \$67,060 and for Undergraduate programs BSDO, BSAT and BARC \$70,060 for the first academic year.

Pathway Program applicants must submit a Financial Affidavit of Support in the amount of \$49,720 for the first academic year.

GUIDELINES

Sponsorship—All applicants must submit a notarized affidavit signed by a bonafide sponsor(s) along with all supporting documents, including the official bank statement/letter. Students sponsored by a home country government, United Nations, etc., must furnish an official letter of sponsorship that specifies the terms of the award, amount of tuition paid, amount of living allowance, etc., as well as how tuition will be paid. All sponsorships are subject to approval by the Office of the Bursar.

Timely submission

All affidavits must be current. Affidavits and all supporting documents must be received no later than six months from their date of issuance.

Currency

The affidavit and supporting documents should clearly show U.S. dollar amounts and not amounts in foreign currencies (i.e. yen, rupees, euros, etc.). These funds must be readily available to support your education. For example, real estate holdings and other non-liquid assets DO NOT apply.

Checks

Note that all checks made payable to New York Institute of Technology must be written on a U.S.-affiliated bank or appropriate financial institution.

Dependents

Students planning to bring a spouse and/or children must provide evidence of additional financial support: a minimum of \$5,000 for spouse and \$4,500 for each additional dependent for the first year.

Notarization

All affidavits must be notarized (attested or certified). In the United States, the affidavit of support must be sworn to or affirmed before a notary public (available at most banks). In other countries, the affidavit should be taken to a U.S. Counselor Officer of the U.S. Embassy. In other cases, bank officials or lawyers in the home country may be used for this purpose.

NOTE: Any supporting documents that have not been notarized or certified will not be accepted.
