Alumni Recognition Award for Students

Enrolled in a Joint-Degree Program

NYIT recognizes student alumni enrolled in a joint-degree program (excluding BS/DO). This award is offered to students who hold an NYIT bachelor's or master's degree and are enrolled in the Graduate portion of their joint-degree program. To be considered, all students must complete an application each academic year. This award will be allotted on an annual basis for a maximum of three (3) years or six semesters depending on the student meeting all of the following criteria required each semester. Students in combined programs, such as Bachelors to Masters (e.g. BS/MS in Occupational Therapy or Physician Assistant, etc.) or Bachelors to Doctorate of Physical Therapy (BS.DPT), are eligible for this award. Students in the BS/DO program are **excluded** from consideration for this award. Students must complete their studies on the Long Island campus or New York City campus of New York Institute of Technology to be eligible for this award. Students must begin the Graduate portion of their joint-degree program in Fall 2019 or prior to be considered for eligibility. Please note the Alumni Recognition Award for Students Enrolled in a Joint-Degree Program will end with the graduating class of 2022.

Requirements:

1. Complete the FAFSA and submit any requested verification documents (excluding International students)
2. Must be fully matriculated in one of NYIT's Graduate degree-granting programs in New York
3. Must have a prior baccalaureate or master's degree from NYIT or be enrolled in a combined program
4. Enrolled in at least three (3) credits
5. Maintain Satisfactory Academic Progress (SAP)
6. Maintain at least a 3.00 cumulative grade point average. Grades are reviewed at the end of each semester.

This award is not applicable to students with tuition remission or tuition exchange or for students who take classes at an already discounted tuition rate.

This award is not applicable to students receiving a second bachelor's degree at NYIT.

This application does not guarantee an award. This award is subject to fund availability.
