

V4 Verification Worksheet 2021–2022

**NEW YORK INSTITUTE
OF TECHNOLOGY**

Your 2021–2022 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The federal regulations state that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You (and if dependent, a parent included in the household whose information was reported on the FAFSA) must complete and sign this institutional verification document, attach any required documents, and submit the form and other required documents to the Office of Financial Aid (contact information can be found on the next page). We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.
