QUESTION 1: DRAWING FROM A PAINTING
Draw one section from the drawing above within the rectangular space provided. A section is a transversal/perpendicular descriptive view cut through a space. In this case, there is the space proposed by the painting. Additionally, describe in one sentence or word your proposal.
QUESTION 2: DRAWING FROM A PAINTING II
If the image above represents things and space(s) seen from one vantage point, draw 3 other views, from different vantage points. Organize them within the space given. Additionally, describe in one sentence or a single word your proposal.
QUESTION 3: ARCHITECTURE INTERPRETATION
How do you interpret these drawings? Develop a drawing and/or a sentence written description for each drawing in the space provided.
QUESTION 4: TWO-DIMENSIONAL ORGANIZATION
Develop a two-dimensional space with points, lines, surfaces and other elements of your choice. Additionally, describe in one sentence or a single word your proposal.
QUESTION 5: THREE-DIMENSIONAL ORGANIZATION
Develop a three-dimensional space-matrix with points, lines, surfaces, volumes and other elements of your choice. Additionally, describe in one sentence or a single word your proposal.
QUESTION 6: NARRATIVE
Map the journey from "point A to point B". Additionally, describe in one sentence or a single word your proposal.

The expression "point A to point B" refers to the path between two particular points, in time or space. You may choose anything, from the mundane to the philosophical. If you get stuck, consider the following lyrics from The Beatles song "A day in the life":

"Woke up, got out of bed
Dragged a comb across my head
Found my way downstairs and drank a cup
And looking up, i noticed i was late
Found my coat and grabbed my hat
Made the bus in seconds flat
Found my way upstairs and had a smoke
Somebody spoke and i went into a dream
Ah ... ..."
