Grades
Check your grades & attendance online at:
http://guru.nyit.edu/
Log in to Guru using your NYIT email username and password.
Piazza

Students regularly discuss curricular materials online with their academic community. This resource allows for interaction amongst students and faculty thereby improving the exchange of knowledge. **Student Academic Forum:** [https://piazza.com/nyitcom](https://piazza.com/nyitcom)

Library Resources

NYIT COM provides students with several Medical Databases for reading, research and reference. [http://www.nyit.edu/library/medicine](http://www.nyit.edu/library/medicine)

ICC Simulation

The ICC utilizes Standardized Patients, mannequin-based simulators and a staff trained in simulation and medical education and test development. [www.nyit.edu/nyitcomicc](http://www.nyit.edu/nyitcomicc)

Grants Anatomy

*Grant's Anatomy Lab* is a customizable online lab manual based on Grant's Dissector. First year students will receive email instructions on how to set up your individual account. This is provided by NYITCOM. [https://www.grantsanatomylab.com/](https://www.grantsanatomylab.com/)

COMBANK

COMBANK, a customizable testing experience, contains COMLEX-style test questions. Additional information regarding log in and subscription will be provided soon. This is provided by NYITCOM. [http://www.combankmed.com/](http://www.combankmed.com/)

Other Resources

NYIT COM's website hosts a Student Resource page that provides quick access to all you need: *MyMail | NYIT Connect | Library Databases | Student Handbook | Insurance | Forms* [http://www.nyit.edu/medicine/students/resources/](http://www.nyit.edu/medicine/students/resources/)

If you need technical help, please email: [servicecentral@nyit.edu](mailto:servicecentral@nyit.edu)

**Tech Help Hours for Students:**
Monday through Friday 12:00 noon - 2:00 pm
Riland Building, Room B32
