

Master of Business Administration (MBA)

The **Master of Business Administration** program at New York Institute of Technology - Vancouver (New York Tech) is recognized around the world for its high standards in business education. At New York Tech Vancouver, students have the option between a **General M.B.A.**, **General M.B.A. with a Concentration in Finance**, and a **General M.B.A. with a Concentration in Business analytics**. The M.B.A. program offers great opportunities for both new graduates and experienced professionals to pursue their career goals.

Highlights

- The M.B.A. degree is offered by a world renowned institution with campuses in the United States (*Long Island, NY & New York, NY*) and Canada (*Vancouver, BC*)
- Students can be eligible to apply for waivable courses (up to 9 credits).
- Students have the opportunity to transfer between New York and Vancouver campuses.
- Financial aid is available to Canadian Citizens and Permanent Residents of Canada.
- Career planning services are available on campus to all students.
- International students are eligible to work off campus during their studies and can qualify for post-graduation work permits (up to three (3) years) after graduation.

The New York Tech Vancouver M.B.A. Program

The program is open to all qualified students regardless of their undergraduate major. It is approved in New York and offered in Vancouver under the written consent of the **Ministry of Post-Secondary Education and Future Skills** in British Columbia. The New York Tech M.B.A. program is also among 5% of business schools in the world that are accredited to the **AACSB International – The Association to Advance Collegiate Schools of Business**. Courses are taught by academically and professionally qualified professors in Vancouver as well as faculty from New York Tech's New York campuses. By focusing on the application of modern business theories to problems that managers face in the public and private sectors of today's global economy, the curriculum emphasizes career-oriented technologies and practice that provide graduates with a competitive advantage.

Students receive personal attention given by outstanding professors with hands-on experience from the business sector. With New York Tech's presence in both Atlantic and Pacific gateways in New York and Vancouver, students can benefit from opportunities to pursue a high quality, career-oriented business education with a global edge.

Intakes & Duration

There are three (3) terms in every academic year; Fall (*15 wks, Sep.–Dec.*), Spring (*15 wks, Jan.–Apr.*), and Summer (*8 wks, May–Jul.*). The General M.B.A. is a two (2) year program, but students may be able to complete it in less than two years if they are able to waive courses. The M.B.A. with a Concentration in Finance and Business Analytics takes longer as this program consists of more credits.
