Getting Familiar with the Student Center

The Student Center provides access to enrollment and student information. To access the Student Center, log in to the MY NYIT portal. The link to the portal is located on the bottom of the NYIT homepage.

After logging in, click on the NYITConnect (Students) option in the upper left corner of the page to begin.

Once you are logged in to NYITConnect, you will be taken to the Student Center main page. You can view your weekly class schedule for a current term as well as past or future terms. On the left of the page there are several links with different functions. The drop-down list titled “other academic...” provides access to a number of items including grades, course history, and academic requirements, for example. On the right of the page you can view your registration holds, items on the To Do List, and your academic advisor name if applicable.
