

WHOLE HEALTH COMMUNITY DATATHON

Learning Mixers + Datathon

Prepare with hands-on mixers. Collaborate across disciplines.
Create civic impact using NYC data.

LEARNING MIXERS

Students must attend **ONE** session

Learning Mixer 1

Thursday, February 19, 2026

🕒 5:00 – 7:00 PM

Learning Mixer 2

Saturday, February 21, 2026

🕒 2:00 – 4:00 PM

📍 NYIT New York City Campus
16 West 61st Street • 11th Floor Auditorium

At the mixers, you will:

- ✓ Learn the datathon challenge and datasets
- ✓ Explore the Social Determinants of Health framework
- ✓ Practice data analysis, visualization, and storytelling
- ✓ Meet collaborators and form interdisciplinary teams

WHO SHOULD ATTEND

- Undergraduate and graduate students
- All majors welcome
- Students interested in
 - ✓ Data for the public good
 - ✓ Public health, policy, design, or analytics.
 - ✓ Civic engagement and community impact

DATATHON

Friday, March 27, 2026

📅 12:00 PM – 6:00 PM

📍 NYIT New York City Campus

The Challenge

Analyze NYC participatory budgeting data representing **9,000+** community voices across all five boroughs to uncover insights related to community health, equity, and place.

Teams will create:

- ✓ A policy-focused data brief
- ✓ A digital data story

Collaborate for civic impact
and recognition
