General AP Notes

1. A minimum score of 3 is required for AP credit unless a higher minimum score is listed in the equivalency table or notes.
2. Students are responsible for having official AP scores sent directly from the College Board to NYIT's Office of Admissions.
3. AP credit will not be posted until the official score report is received. New York Tech College Board Code: **2561**.
4. Approved AP credit is recorded as Placement Credit (PC). If an AP exam can match more than one NYIT course, the course that applies to the student's major or program will be awarded. Duplicate credit is not awarded for the same or substantially equivalent content already completed or previously awarded through another source of credit.
5. No substitutions may be applied toward degree requirements without written approval from the chair of the applicable academic dept.
6. Course equivalencies, credit awards, and policies are subject to review and change by New York Tech. (October 2026)
